Please note that there are limited places for Commemorative Benches in the City of Piedmont at this time. Your request for a specific location will be taken into consideration, but the final decision rests with the Project Manager of the Department of Public Works for the City of

Piedmont. Every effort will be made by City Staff for the proper maintenance of benches, but they cannot be guaranteed in perpetuity. The life of a bench is about 20 years. When a bench can no longer be repaired, it will be retired, and possibly replaced with a new bench. Decisions in this regard will be made by the Project Manager. When a bench is retired, if possible, you or your family will be offered the opportunity to participate in the purchase of a replacement.

I understand that the bench I am ordering may be delayed by unforeseen circumstance, but every effort will be made to deliver the inscribed bench in a timely manner. The PBF Commemorative Benches Chair will contact donors with regular order updates whenever possible.
